## AEC Family Camp 2020 Coronavirus Cancellation

May 14, 2020

Due to concerns over Coronavirus, the Directors of the Highlander Christian Camp in Kane PA, have elected to close the campground to all group events this summer.

This decision follows in like manner the decision of the Ladies Retreat facility, as these events are naturally large groups in close quarters.

Our Family Camp includes people of all ages, heightening the virus risk to the young and the elderly, so we will not be pursuing another location for Camp.

On a positive note, we received news from the Kane Campground Directors of the near completion of the process permitting the Association to purchase two available cabins on the grounds. We expressed our excitement and interest in helping to maintain and improve the campground for future Camps.
