

Victory in Jesus

We have seen recently, the joy of eighty-two of Christ's disciples returning to Him with news of victory over sickness, sin, and Satan.

We have also recently seen the victory of a soul set free from the fear of dying for either Jesus or His Gospel.

Following are more passages that reinforce our victory in Jesus, even before we cross over to Him, or are caught up to meet Him in the air.

John 14:1-3 - There is a place being prepared for each of us by Jesus, to be with Jesus, in eternity. This world is not our home...we're just travelling through.

John 15:7-16 - Abiding with and serving a Lord who will hear our requests and grant them is victory. Abiding in Christ and allowing His words to abide in us bears much fruit out of our lives that glorifies God. This is victory. Jesus loving us as the Father loves Him is victory. Having joy that fills us up and never leaves is victory. Being called a friend by Jesus is victory.

Rev. 12:1-6, 13-17 - Knowing Satan couldn't harm Jesus nor Israel is victory.

Rev. 12:11 - Knowing that the blood of Christ applied to our account, along with our testimony of knowing that is true, and loving not our physical life to the expense of our spiritual life gives us victory over Satan.
