

Mighty to Save Series

Study 5 - God Saves His Creation Plan

Pre-Creation Existence

1. Before creation, God, Jesus, the Holy Spirit, and the angels exist as spirits. There are no physical beings.
2. God declares there is no God before or after Him. Isa. 43:10-13a
3. God likes to do new things. Isa. 43:18-21

Creation is Perfectly Planned & Implemented

1. The first five days of creation are domestic in nature. They form a space for mankind to live, move, and have their being. They function by laws God establishes to keep them in order and balanced.
2. Man is the pinnacle of physical creation. He is spirit and soul in flesh. The angels marvel at all things physical that God has made, but most of all mankind. One day in eternity they will be ministering servants for the saints.
3. Adam was created with instant intellect and categorized and named all the animals. He was given advanced knowledge to manage the garden in which he lived.

Satan's Rebuff Turned into Revenge Through Man and Creation

1. Whatever God called good, Satan sought to corrupt and destroy it.
2. Mankind was corrupted.
3. Nature was corrupted.

God Saves Both Man and Nature Through Jesus

1. Gen. 3:15 points to Jesus becoming victorious over Satan to redeem man.
2. Jesus was part of the first creation, John 1, and through saving mankind, will be part of creating the new heaven and new earth. Even nature is redeemed by Christ.
