

Enough

[Elias Dummer](#)

I am not what I make, I am who you have made me to be
I am not what I've done, I am loved unconditionally
I am not loved by the measure of love that I bring
I am not who I know, I am known by the king of all kings
Jesus, You are enough Jesus, You are enough for me
With nothing, I still have everything
Jesus, You are enough for me
You are maker made visible, holding the world in your hands
You are patient and merciful, giver of grace without end
Satisfied simply by being who You've always been
You are infinite love and You prove it again and again
Jesus, You are enough Jesus, You are enough for me
With nothing, I still have everything
Jesus, You are enough for me
Jesus, You are enough Jesus, You are enough for me
With nothing, I still have everything
Jesus, You are enough for me
In You, I am created
In You, I am sustained
With You, I am resurrected
You overcame the grave
With You, I stand in victory
Now what else could I need?
With You, I want for nothing
Jesus, my everything
Jesus, You are enough Jesus, You are enough for me
With nothing, I still have everything
Jesus, You are enough for me
Jesus, You are enough Jesus, You are enough for me
With nothing, I still have everything
Jesus, You are enough for me
Jesus, You are enough Jesus, You are enough for me
With nothing, I still have everything
Jesus, You are enough for me
