

I'll Say Yes Lord

I'll say yes Lord yes
To your will and to your way
I'll say yes Lord yes
I will trust you and obey

When your spirit speaks to me
With my whole heart
I'll agree
And my answer will be
Yes Lord Yes

I'll say yes Lord yes
To your will and to your way
I'll say yes Lord yes
I will trust you and obey

When your spirit speaks to me
With my whole heart
I'll agree
And my answer will be
Yes Lord Yes
