

Theres Nothing That Our God Can't Do - Live

[Passion](#), [Kristian Stanfill](#)

Oh, just one word, You calm the storm that surrounds me

Just one word, the darkness has to retreat

Oh, just one touch, I feel the presence of heaven

Just one touch, my eyes were opened to see

My heart can't help but believe

There's nothing that our God can't do

There's not a mountain that He can't move

Oh, praise the name that makes a way

There's nothing that our God can't do

And just one word, You heal what's broken inside me

And just one word and You revive every dream

(That's right)

Just one touch, I feel the power of heaven

And just one touch, my eyes were opened to see

My heart can't help but believe

(Come on)

There's nothing that our God can't do

There's not a mountain that He can't move

Oh, praise the name that makes a way

There's nothing that our God can't do

Oh I know there's nothing that our God can't do

There's not a prison wall He can't break through

Oh, praise the name that makes a way

There's nothing that our God can't do

(I believe, I gotta believe)

And I will believe for greater things

There's no power like the power of Jesus

Let faith arise, let all agree

There's no power like the power of Jesus

I will believe (Come on) for greater things

There's no power like the power of Jesus

Let faith arise, let all agree

There's no power like the power of Jesus

I will believe (Come on) for greater things

There's no power like the power of Jesus
Let faith arise, let all agree
There's no power like His power
There's nothing that our God can't do
There's not a mountain that He can't move
Oh, praise the name that makes a way
There's nothing, there's nothing that Jesus can't do
Woah, there's nothing that our God can't do
There's not a prison wall He can't break through
Oh, praise the name that makes a way
There's nothing that our God can't do
(Oh, sing)
Woah, woah, woah
Woah, woah, woah
Woah, woah, woah
There's nothing, there's nothing
There's nothing, there's nothing
Woah, woah, woah
Woah, woah, woah
Woah, woah, woah
There's nothing that our God can't do
